

2020 State of Homelessness Report

www.upstatecoc.org

Welcome

Lorain Crowl

CEO, United Housing Connections

Chair, Upstate Continuum of Care

Housekeeping Notes

Paulette Dunn

*Communications & Administrative Director,
United Housing Connections*

- Webinar mode - all attendees are muted
- Questions/Comments can be added to Q&A/Chat
- Questions will be addressed at the end
- Presentation is being recorded

Report Introduction

Michele Murff

*SC Department of Mental Health, Housing and Homeless Programs
Chair, South Carolina Interagency Council on Homelessness*

Report Overview

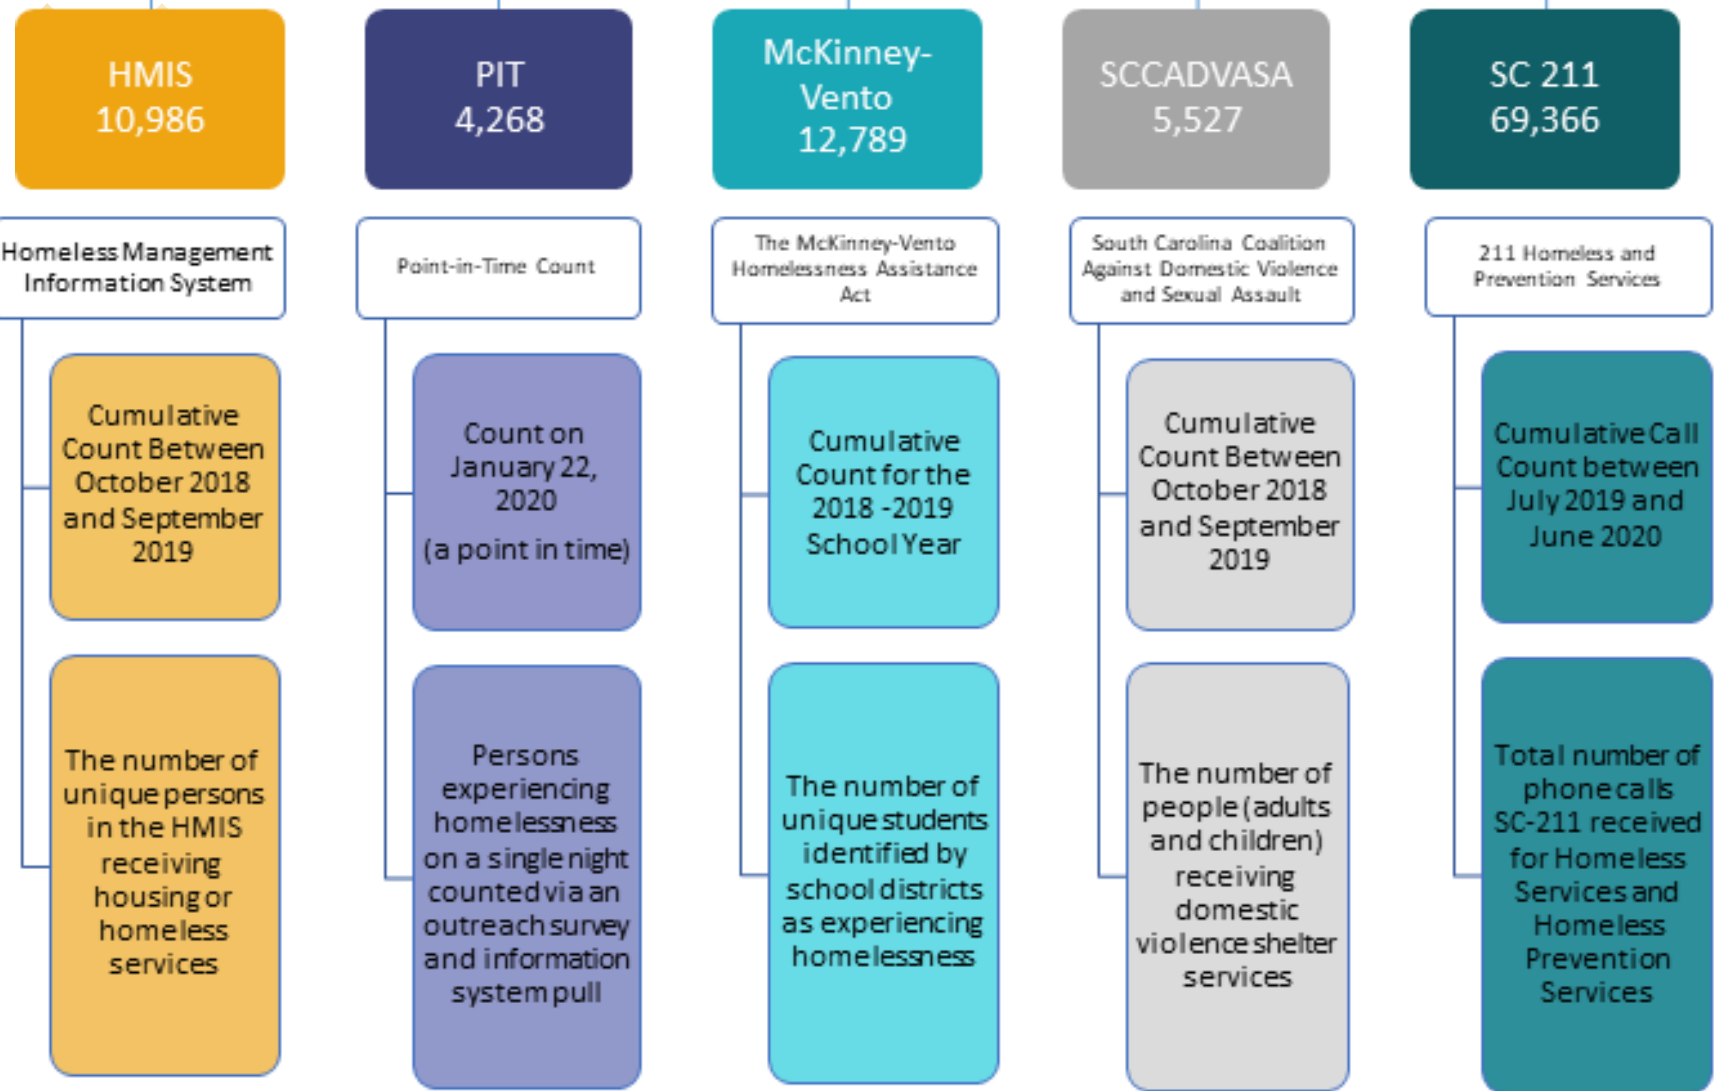

Natalie Worley, PhD

*Director of CoC Planning and Data Management,
United Housing Connections, serving the Upstate
Continuum of Care*

- Historically focused only on PIT Count data
 - *Limited usefulness*
 - *One-night count*
 - *Changes in definition, methodology*
- Inclusion of annualized data
- Inclusion of more data sources
- Inclusion of program solutions

Changes to Statewide Report

Key Data Included in the 2020 South Carolina State of Homelessness Report

South Carolina Continuums of Care

2020 South Carolina State of Homelessness Report

Report is posted on the
SCICH website:

SCHomeless.org

[FULL REPORT](#)

[INTERACTIVE](#)

[EXECUTIVE SUMMARY](#)

This report draws on available data to provide a broad overview of the extent of homelessness and housing instability in South Carolina.

POPULATION, INVENTORY, & PERFORMANCE DATA

Austin Barrett, PhD

*Data Analyst, United Housing Connections
serving the Upstate Continuum of Care*

POPULATION HOMELESS MANAGEMENT INFORMATION SYSTEM

KEY FINDINGS

*Reporting Range:
October 1, 2018 to September 30, 2019*

IN THE STATE OF SOUTH CAROLINA,

TOTAL SERVED

10,986

people received
homeless services
from 10/1/18 to
9/30/19

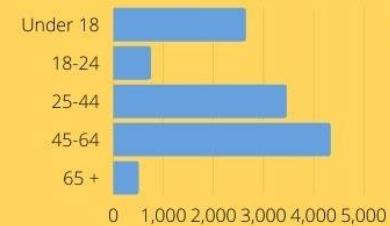

62%

identified as male

GENDER

AGE

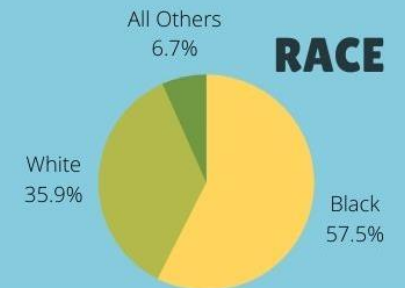

ONE-IN-FIVE

were under the age of 18
however, the most
common age was 45-64

58%

Identified as Black or
African American

RACE

**THIS DATA WAS COLLECTED FROM THE
STATEWIDE HMIS**

HMIS Demographics: Gender

- Nearly two thirds are Male
- This proportion is similar to previous years and other national data

Gender	Statewide Count	Statewide Percent
Female	4,041	36.8%
Male	6,843	62.3%
Transgender (M-F)	9	0.1%
Transgender (F-M)	4	<1%
Other	1	<1%
Missing	88	0.8%

**Due to rounding, total percentages may not equal 100%.*

HMIS

Demographics: Race & Ethnicity

- Majority identify as Black/AA
- Small, but still present, Hispanic/Latino population

Race/Ethnicity	Statewide Count	Statewide Percent
White	3,940	35.9%
Black/AA	6,314	57.5%
Asian	24	0.2%
American Indian/ Alaska Native	51	0.5%
Native Hawaiian/ Pacific Islander	20	0.2%
Multiple Races	516	4.7%
Missing	121	1.1%
Non-Hispanic	10,486	95.4%
Hispanic	319	2.9%
Missing	181	1.6%

**Due to rounding, total percentages may not equal 100%.*

HMIS

Demographics: Household Composition

- Most households are single adults
- >2 Person Households are predominantly a combination of Adults & Children

Household Size	Statewide Count	Statewide Percent
1 Person	7,956	88.5%
2 Persons	459	5.1%
3 Persons	260	2.9%
4 Persons	173	1.9%
5 or More Persons	143	1.6%

**Due to rounding, total percentages may not equal 100%.*

HMIS Demographics: Veteran Status & Age

- High Veteran count and %
- Middle age is most common

	Statewide Count	Statewide Percent
Veteran	2,335	25.7%
Not a Veteran	6,556	72.2%
Missing	188	2.1%

Veteran Status (Adults Only)

	Average Age	Median Age
All Persons	40	43
Adults Only (>18)	45	47
Children Only (<18)	7	7

**Due to rounding, total percentages may not equal 100%.*

HMIS Homelessness Experiences: Overview

- Mix of short and longer-term homeless
- Most entered from a homeless situation
- Nearly one-in-five (19%) adults are chronically homeless

**Due to rounding, total percentages may not equal 100%.*

HMIS Homelessness Experiences: Disabilities (Adults Only)

- 53% report a Disability
- Mental health was most common

	Statewide Count	Statewide Percent
Yes	4,776	52.6%
No	4,050	44.6%
Missing	253	2.8%

*Due to rounding, total percentages may not equal 100%.
 **Disability types are not mutually exclusive; a person could report more than one disabling condition

HMIS Homelessness Experiences: Exit Destination

- 31% Exited to Unknown Destinations
- 49% Exited to Non-Homeless Situations
- Only 14% Exited to Homelessness

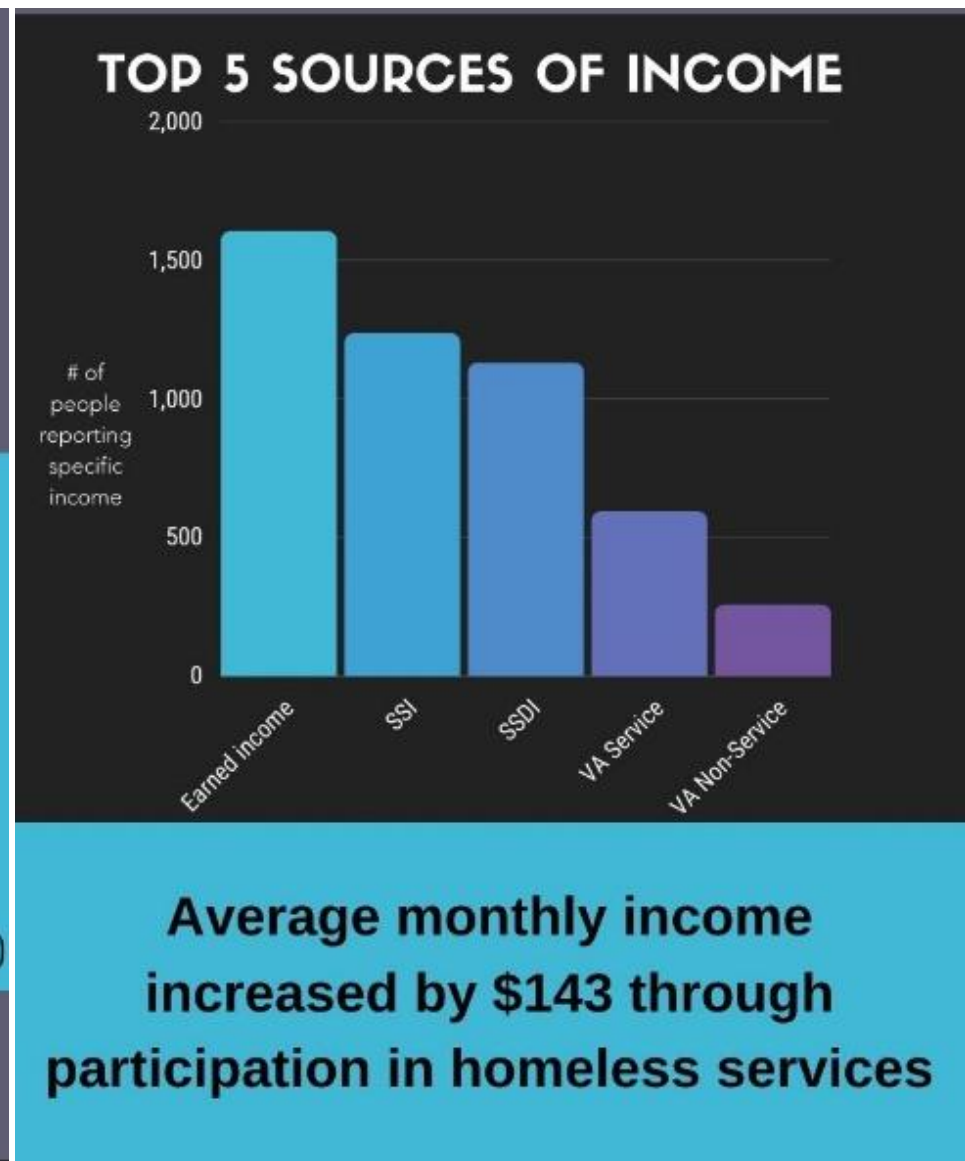

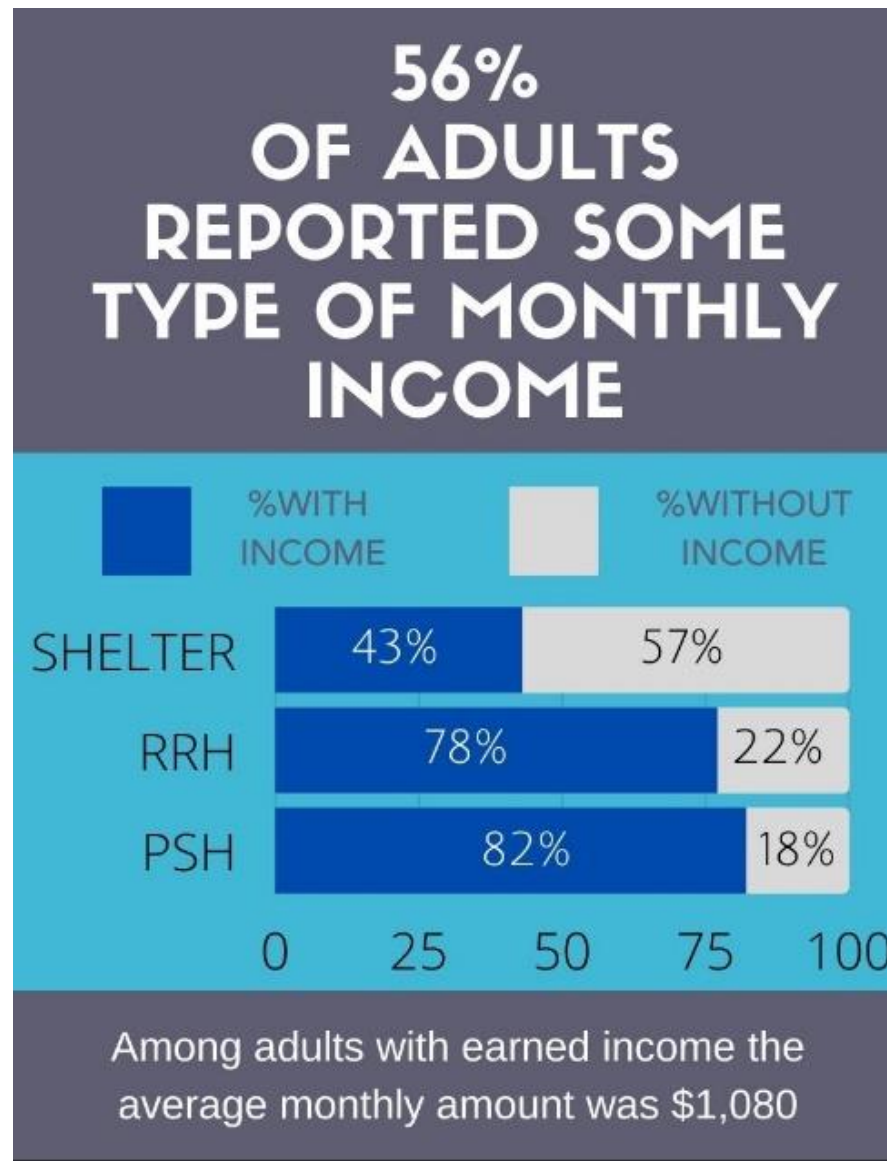

**Due to rounding, total percentages may not equal 100%.*

HMIS Income Information

- 56% of adults reported income
- Income was more likely among non-shelter residents
- Earned Income was the most common source (\$1,080 monthly)
- Income increased by \$143 during participation

**Due to rounding, total percentages may not equal 100%.*

HMIS

Income Sources

Most Common Income Sources:

1. Earned Income
2. SSI
3. SSDI
4. VA Service-Connected Disability
5. VA Non-Service-Connected Disability

Source of Income	Persons (Count)	Persons (Percent)	Average Amount
Earned Income	1,604	31.6%	\$1,080.82
SSI (Supplemental Security Income)	1,235	24.3%	\$715.64
SSDI (Social Security Disability Insurance)	1,128	22.2%	\$853.69
VA Service-Connected Disability Compensation	593	11.7%	\$933.36
VA Non-Service-Connected Disability Pension	257	5.1%	\$786.27
Retirement Income from Social Security	224	4.4%	\$861.34
Child Support	132	2.6%	\$319.84
Other	107	2.1%	\$706.28
Pension or Retirement Income	94	1.9%	\$726.16
TANF	62	1.2%	\$272.61
Unemployment Insurance	53	1.0%	\$738.15
State Disability	17	0.3%	\$664.22
Alimony or Other Spousal Support	8	0.2%	\$580.17
General Assistance	9	0.2%	\$579.11
Private Disability Insurance	11	0.2%	\$746.78
Worker's Compensation	9	0.2%	\$1,123.27
Retirement Disability	6	0.1%	\$997.73

**Due to rounding, total percentages may not equal 100%.*

HMIS

Domestic Violence Information

- 12% of adults (18+) reported being a victim or survivor of domestic violence
- 28% reported they were actively fleeing their abuser
- Nearly half reported the DV experience occurred more than 1 year ago
- 28% reported the experience within the past three months

HMIS

Group Comparisons

- **Rapid Rehousing yields a high level of exits to permanent housing compared to Emergency Shelter** 
- **Households in shelter are much more likely to report no income (57%) compared to households in permanent housing projects (PSH=18%, RRH=23%)**
- **Single adult (18%) and unaccompanied minor households (8%) were least likely to exit to permanent housing. Non-single households were most more successful in exiting to housing** 

Supporting Data

Domestic Violence

13 Domestic Violence Centers
(fiscal year October 1, 2018-
September 30, 2019)

Number of People Receiving Shelter
for the year:

- 5,527 Total survivors
 - 3,278 Adults (59%)
 - 2,249 Children under 18 y/o (41%)
- 99,213 shelter nights
 - 2,794 survivors receiving shelter for first time
 - 736 survivors turned away from shelter due to lack of space

Number of Survivors Receiving Supportive Services for the year:

- 27,809 Total People
 - 20,033 Adults (72%)
 - 7,776 Children (28%)
- 17,326 receiving supportive services for the first time

NUMBER OF CRISIS CALLS:
18,000

15 Sexual Assault Centers (Fiscal
year January – December 2018)

Number of new primary survivors
for the year: 7299

- 5,527 Total survivors
 - Identified as adults: 3171 survivors (54% of those where age is known)
 - Identified as children under 18/o: 2,696 survivors (46% of those where age is known)
 - Unidentified age: 1,032

Number of incidents reported to law
enforcement: 1,160 (16% of total
primary victims)

Number of charges pressed: 804
(11% of total primary victims)

Number of hospital
accompaniments: 1,392 survivors

Number of secondary survivors for
the year: 2,570 people

NUMBER OF CRISIS CALLS: 4,960

- Data provided by South Carolina Coalition Against Domestic Violence and Sexual Assault (SCCADVASA)
- **13 DV organizations** offering emergency shelter services
- **432 total beds** statewide

South Carolina Department of Social Services Chafee & ETV Program

Extension of Foster Care Program

- DSS licensed placement after age of 18 until 21st birthday
 - Youth continues pursuing education and/or employment goals
- Chafee and ETV funds available to support transition into adulthood
 - Monthly contact with SCDSS case manager
- Housing/Transition planning
 - Identify safe placement
 - Analyze finances
 - Identify expenses
 - Complete Financial Literacy/Management course certificate
- Other assistance includes:
 - Housing Assistance (utilities and rental deposits, furniture, rental assistance up to 6 months, dependent essential bundle)
 - Interim housing for college students
 - Youth with disabilities
 - Emergency assistance

South Carolina
Department of
Social Services
Chafee & ETV
Program

South Carolina Housing

OUT OF REACH

- July 2020 National Low Income Housing Coalition
- In SC, must earn \$17.30 per hour to afford 2-bedroom FMR
- Average renter in SC earns \$13.52 per hour
- "Wage gap" varies by county
- SSI provides \$783/month
- Minimum wage workers would have to work an average of 74 hours/week
- "Front line" and "essential workers are significantly impacted

HUD

- In 2019, one in ten renters statewide (62,919 households) received assistance from HUD
- Housing Choice Vouchers = 45% of clients
- Project Based Section 8 = 30%
- Public Housing = 20%
- Other Programs = 5%
- Median household income = \$12,386
- Typical HUD client lives in a neighborhood with 27% poverty rate

SC HOUSING

- Two divisions for persons at risk of homelessness
- **Development** – capital for developers of affordable housing; includes LIHTC and Housing Trust Fund
- **Rental Assistance & Compliance** – compliance for projects receiving Development funds, administers HCV program for 7 counties, administers Project Based Section 8 portfolio

CoC HIGHLIGHTS

Lowcountry Continuum of Care

HOUSING PROBLEM SOLVING

-

THE 100-DAY CHALLENGE

Heather Carver

Program Director, Lowcountry CoC

Housing Problem Solving:

- An intervention that occurs at first point of contact
- Is client-centered and housing-focused
- Goal of quickly resolving the household's housing crisis
- Explores options the household may not have been able to identify or felt comfortable enough to explore on their own
- Can help prevent homelessness and exit people from homelessness quicker.

Next steps to advance our community:

- Develop a workgroup to define local goals and identify what a successful outcome is and other indicators of success.
- Formalize community partnerships.
- Incorporate agencies who can provide financial resources.
- Identify within our system where will problem solving conversation and resource connections occur.
- Provide ongoing community training.

LHC 100-Day Challenge Outcomes:

- **44%** increase in the number of youth re-housed between 2019 and 2020
- **61%** of youth served were pregnant/parenting
- **93%** of youth served were connected to supportive services

Total Care for the Homeless Coalition

CROSS-SECTOR COLLABORATION

Ann Gowdy, PhD, LISW-CP, MSW

Chief Programs + Innovation Officer, Eastern Carolina Housing Organization

Persons dealing with substance use disorder may need a continuum of services to address their needs.

It requires systems and spaces that span across sectors, such as medical, criminal justice system, housing, and the recovery network.

Organization	Location	Services
South Carolina Alliance for Recovery Residences (SCARR)	South Carolina	Certification for Sober Living Programs
Bruce Hall	Florence	Inpatient detox
Sumter Behavioral Health Services	Sumter County	Substance Abuse Treatment and Prevention

Veterans Master List Process

Data Tracking

Federal Benchmarks Generation Tool Ver. 5/12/2019

Number of Veterans experiencing homelessness as of end date of report: 78	To Use: Enter an "End Date" and click "Calculate Benchmarks" for results. See instructions tab for further guidance.	Start Date <input type="text" value="11/24/2020"/>	End Date <input type="text" value="3/22/2021"/>	Calculate Benchmarks
90 day look-back period:				

A. Have you ended chronic and long-term homelessness among Veterans in your community?

Target: Zero chronic and long-term homeless Veterans as of date of review, with exceptions indicated below.

Total number of chronic and long-term homeless Veterans who are not in permanent housing as of end date above:		16	A1
Exempted Group One	Total number of chronic and long-term homeless Veterans who have been offered, but not yet accepted a PH intervention offer and where the last PH intervention offer was within 14 days of the end of the 90 day look-back period:	0	A2
Exempted Group Two	Total number of chronic and long-term homeless Veterans who have been offered a PH intervention, but have chosen to enter service-intensive transitional housing in order to appropriately address a clinical need, prior to entering a permanent housing destination:	1	A3
Exempted Group Three	Total number of chronic and long-term homeless Veterans who have accepted a PH intervention offer, but not yet entered permanent housing and where the first acceptance of a PH intervention offer occurred during the 90 day look-back period:	3	A4
Total Chronic and Long-Term Homeless Veterans - Total Number of Veterans in Exempted Groups 1, 2 and 3:		13	
Benchmark A achieved? No			

B. Do Veterans have quick access to permanent housing?

Target: For homeless Veterans placed in PH in last 90 days, excluding exceptions indicated below, the average time from date of identification to date of PH move-in is less than or equal to 90 days.

Total number of Veterans who moved into permanent housing:		22	B1
- Exemption Group 2. Do NOT include people who were offered a permanent housing intervention but chose to enter a service-intensive transitional housing project prior to entering a permanent housing destination. Number of Veterans offered PH intervention, but declined the offer and chose TH prior to PH destination:		0	B2
Total net number of Veterans who moved into permanent housing (B1 - B2):		22	B3
Total number of days it takes for all Veterans who become homeless to enter permanent housing:		3117	B4
- Days between date of identification to PH move-in for all Vet PH exits. <i>Exemption Group 1.</i> For any veteran who was identified and offered a permanent housing intervention, but did not initially accept the offer, include only the time from when they accepted the intervention until they moved into housing. <i>Total days:</i>		142	
Total Number of Days - by Total Net Number of Veterans:		142	
Benchmark B achieved? No			

C. Does the community have sufficient permanent housing capacity?

Target: In the last 90 days, the total number of homeless Veterans moving in to permanent housing is greater than or equal to the total number of newly identified homeless Veterans.

The total number of Veterans exiting homelessness to permanent housing:		22	C1
The total number of newly identified homeless Veterans:		40	C2
Benchmark C achieved? No			

D. Is the community committed to Housing First and provides service-intensive transitional housing to Veterans experiencing homelessness only in limited instances?

Target: In the last 90 days, the total number of homeless Veterans entering service-intensive transitional housing is less than the total number of newly identified homeless Veterans.

The total number of Veterans entering service-intensive transitional housing:		5	D1
The total number of newly identified homeless Veterans:		40	D2
Benchmark D achieved? D1 must be significantly below D2
