

HMIS Training

UPSTATE COC

OVERVIEW

1

INTRODUCTION

This is a short video introducing your System Admin and sharing what will be available in our course.

- Video (Optional)

2

COC & HMIS OVERVIEW

This video is a very broad overview of what a CoC is, the relationship between agencies and the CoC, the structure of our CoC, and the HMIS database.

- Video
- Printable Notes
- Short Answer Submission
- Multiple Choice Quiz

3

NAVIGATION

This short video covers how to navigate the HMIS database.

- Video

4

CLIENTS & ASSESSMENTS

This video takes you through each of the tabs in the clients section. Clients is where you will be completing 90% of your data entry and work in the database.

- Video
- Clients/Assessments Short Answer Question
- Multiple Choice Quiz

5

POLICIES & PROCEDURES

This section includes links to the Privacy Policy and the State-Wide Policy and Procedure Manual for HMIS. You will need to open both documents and read through them to complete the quiz on both documents.

- Resource Links
- Multiple Choice Quiz

6

FORMS

This final section includes links to your two final forms to complete. Once these are submitted you will get access to the site. If you have other specialty trainings assigned for your role, you will need to also complete those sections assigned to you as well.

- Form Acknowledgements (2)
